JACOB PUMPHREY, SOUTHERN ARKANSAS UNIVERSITY DIRECTOR OF ATHLETICS

GREETINGS FROM THE COMMISSIONER OF THE AIC

As Commissioner of the AIC, I am very proud of our history of excellence in sports. The AIC, an athletic association of five state supported colleges and five church related colleges, was organized in 1928 and has furnished an outlet for intercollegiate athletic competition in Arkansas continuously, except for a brief respite during World War II.

The AIC awards conference championships in nine sports — football, basketball, baseball, track, tennis, golf, bowling, cross country and swimming as well as an All-Sports Trophy, the winner of which is determined by its overall finish in each of the above nine sports. The AIC also presents a scholar-athlete award each spring to the graduating senior who has posted the highest grade-point average

and who has earned at least two varsity letters.

The AIC's purpose is to promote and foster education of its students through athletics. My objective for the future is to be an instrument for elevating all sports as well as the position of AIC athletes to their highest level in history. I feel confident that the purposes of the Conference will be further enhanced by the keen competition of each athletic event that is scheduled for the years ahead.

To the athletes, coaches, administrators, officials, news media and spectators, I extend a warm greeting of friendship on behalf of the Arkansas Intercollegiate Conference. We hope this brochure on AIC sports will be of benefit to all of you.

I also want to express special thanks to Mr. Calvin Hagan, Hagan Agency, Southland Life Insurance Company for his assistance in publishing this directory and review of sports for the AIC.
