JACOB PUMPHREY, SOUTHERN ARKANSAS UNIVERSITY DIRECTOR OF ATHLETICS

## Greetings from the Commissioner

As Commissioner of the AIC, I am very proud of our history of excellence in sports. We all can take pride in our achievements at all levels of competition. I cherish the past and look forward to the challenges of the future.

The AIC, an athletic association currently consisting of five state-supported and five private, church-related colleges, was organized in 1928 and, except for a brief hiatus during World War II, has continuously furnished an outlet for intercollegiate athletic competition in Arkansas. Over the years, many of its athletes have received national acclaim.

The conference awards championships in eight sports — football, basketball, baseball, track, cross-country, tennis, golf, and swimming. An All-Sports Trophy is awarded to the college with the best overall finish in each of the sports.

The prestigious Cliff Shaw Scholar-Athlete award is presented to the graduating senior who has achieved the highest grade point average and who has earned at least two varsity letters.

The AIC's stated purpose is to promote and foster educational experiences through athletics. This purpose is well-achieved by the keen competition inherent in each athletic event.

I extend, on behalf of the conference, a warm greeting of friendship to the athletes, coaches, administration, officials, and the news media. We hope this Directory and Review of Sports will be beneficial to all of you.

I also want to express our special thanks to Hagan and Harris Insurance Services for their assistance in publishing this Directory and Review of Sports and for their dedication to the Arkansas Intercollegiate Conference.

Harry T. Hall, Commissioner
